JUNE 1978

What can I do now, Mum?
I'm bored, there's nothing to do!
It's that famous Summer Holiday Song
That makes all mothers blue.

Yes, believe it or not, it's coming round again
July 21st isn't THAT far away. What can kids do for
six whole weeks? Don't DESPAIR - a little group of
mums have had a bright idea.

CHILDRENS WEEKS JULY 24TH -28TH, plus 2 or 3
days a week throughout the holidays, for 3-16 year olds.

Suggestions for activities so far include walks,
races, picnics, bike rides, taking small groups swimming
and paddling, painting, playwriting, acting and making
costumes, make-up and hair care, cookery, short talks
sing-songs, rounders, puppet shows etc...

What is needed to turn the idea into reality?
The answer is PEOPLE - mums, dads, grannies, grandads,
big brothers and sisters; anyone who could spare an
hour or two to help keep the kids amused for at least
SOME of that seemingly never ending six weeks.

If you would like to help, please contact one of
the following by 15th June 1978.

We would like to clear up a misunderstanding about this help scheme. It is for ALL disabled and senior residents. Those who would like to reciprocate with a bit of baby-sitting etc. will be very welcome to do so. BUT, this is NOT obligatory, purely optional.

HOME VISITS.

These are now underway. If we haven't got to you yet, don't worry. We will see you all as soon as possible.

RED TRIANGLE SCHEME.

We have been asked if we would implement an emergency scheme. We will shortly be issuing Red Triangles to all Senior & Disabled residents outside Hanover (they have a warden). If you need a Nurse, Doctor, or any emergency help, place the Red Triangle in a prominent window.

Anyone spotting a Red Triangle should immediately Telephone one of our 3 odd job numbers and we will get help as quickly as possible. We have some nurses on the village who are willing to be on call for emergencies, not only to get help where its needed as quickly as possible, but to help lighten the load for the Health Centre.

GOOD NEIGHBOURS CLUB. (for Senior Residents).

We are pleased to be able to announce that our Club will open on September 6th 1978. It will be held in the small hall of the school once a fortnight on Wednesday afternoons from 2pm - 4pm.

Those of you who already go to Dry Drayton's club needn't worry. We have arranged to alternate with them. We shall have a varied programme of games, illustrated talks, demonstrations, and sing songs. It is hoped that we will be able to end every meeting with a tea consisting of sandwiches, cakes, biscuits etc., and a good old cuppa! To do this we will need a rota of volunteer cake makers (the more the merrier). If you could help please tel. 80987 or 80344.

SUMMER OUTING.

Thanks to a very generous action by the Parish Council, we are able to announce that we will be able to run a coach trip for Senior Residents sometime during the summer. Details will be announced as soon as is possible.

BAR HILL PARENT TEACHER ASSOCIATION.

Very many thanks to everyone who helped to make our May Fete a success.. A special thanks to the helpers who worked really hard - thank you. We made approximately £350 so your efforts were all well worth it! The P.T.A. decided recently to give £150 each to the Infant & Junior Departments to spend as the Teachers wish. Many items are needed at the school, and they cannot now be obtained through the Education Department, due to cut backs in spending, so I'm sure this money will be very welcome. Thank you again.

Mary Giddings
(Secretary).

LETTERS TO THE EDITOR.

The Editor.

Dear Sir,

In reply to Dog Owners May Newsletter.

So another child has been bitten by an un-attended dog - or should that read another tethered dog has been teased by an unattended child !!

As a responsible dog owner, I often leave my dog tethered in the Mall area whilst shopping. He sits patiently & waits until I return, but even if he were a boisterous or even vicious dog he would be unable to bite anyone who did not come to him.

Where dogs are tethered - as is normally the case - the fault lies not with the dogs or their owners, but with the parents who do not teach their children to respect the dogs. It is these parents who should be urged to prevent any repetitions of this incident!

Mrs. C.H. Clifford.
26, Otter Close,
Bar Hill.

Dear Editor,

I would like to express my thanks to everyone who turned out to vote for me in the recent District Council Elections.

Yours faithfully,
Tom Flanagan,
27, Acorn Avenue,
Bar Hill.

FAREWELL.

Ray, Yvonne and Shawn Archer would like to say goodbye and thank you to all the friends they have made in Bar Hill over the past 10 years.

NEW RESIDENTS.

Welcome to Mr. & Mrs. R. Dockerill,
71, Oatlands Avenue.

MOUSETAILS! ... amongst other things.

By way of explanation for those Bar Hill residents who have already been called to their doors to be asked if they've got Mousetails in their garden, and for those on whom I haven't called yet, can I just say that I am interested in our rare native plants and that the Mousetail (*Myosurus minimus* to give it its latin name) is one such that has been found growing in Bar Hill recently; and that I am trying to find out how many we have got and where... It is a so-called 'arable weed', though to my mind a rather attractive one - to look at rather like a small plantain, indeed just like a mouse's tail! It is an annual, and it cannot tolerate too much competition from other plants so that it tends to occur where disturbance (e.g. gardening!) keeps the vegetation open or where the ground lies flooded in winter - which perhaps explains why it has been found in Acorn Avenue and Foxhollow! It seems very likely that it has been in the fields here for some time and has managed to survive in a few gardens since the houses were built; but it is very rare in Cambridgeshire, having only been seen in four places recently. Please let me know if you find any - I will check anything you think may be, but please contact me first, do not pick the plant and send it!

Indeed, I would be very pleased to hear of any natural history records, sightings, etc. in Bar Hill. For example, in the unlikely event that you hear or see a Woodpecker - Cambridge Bird Club are carrying out a survey of these this year in old Cambs.. (Pre-1974), and I will pass on any records.

Duncan Donald.
65, Oatlands Avenue.

HORTICULTURAL SOCIETY.

With the commencement of the FIRST MONTH OF REAL SUMMER (and I write tentatively) everybody must surely be engaged in some Horticultural activity, be it only grass cutting.

Our group activities are in abeyance now until regular meetings start up in September, apart that is from our 'Garden' competition and coach trip to Bressingham Gardens, both scheduled for July. However in contrast our shop sales are buoyant and we particularly offer this month:

CLOVOTOX.....For lawns.
HEXYL-PLUS.....Insecticide & Fungicide.
PBI GARDEN BOOKS.25p each.

At the risk of 'TEACHING GRANDMA TO SUCK EGGS' I will give a few topical tips for the time of year starting with lawn care.

CONTD..

-13-

So to keep that lush green look through to September it's a good idea to apply some lawn fertiliser now. If you have some Rhubarb, encourage good strong growth by cutting off flower spikes, top dressing with compost and don't forget to water the plants during dry periods - and with space at a premium, sow some turnips in between your rows of peas and beans.

I would also be pleased to pass on garden tips from our readers.

Bill Elphick-Secretary.
